FAN FRENZY: Megan got followers fired up with this boobiful snap

I'd jizz in her hair!

TROLLS TARGET TELLY MEG AFTER MELON-BOOBS POST

RickH_75 I'd twist those melons and jizz in her hair!
12h Reply

SEX-MAD telly babe Megan Barton-Hanson sent her fans into a lust-filled frenzy when she posted a saucy snap of her breasts barely covered with stickers.

The naughty snap was to promote a "face mask for boobs" designed to moisturise a lady's wobbly bits.

But while most of the *Love Island* babe's 1.8m followers on Instagram happily enjoyed the image without feeling the need to comment, some just had to tell her how horny the snap made them.

One said: "I'd last 12 seconds!"

Another added: "I love your melons!"

A particularly excited fan really wanted Meg to know just how hot and bothered the 26-year-old made him, writing: "I'd twist those melons and then jizz in her hair!"

It's probably been a while since former porn star Meg had a bloke's spunk in her barnet – as she's now a lesbian.

The blonde beauty has been seeing lady footballer and singer Chelcee Grimes for more than a year.

A pal close to Megan said: "She's gone right off the spunk, truth be told, so I don't think this fella's going to be getting his wish!"

HE TAKES ALL THE WEEK'S NEWS & PULLS ITS PANTS DOWN

MONDAY

CAMPSITES and caravan parks say they're being flooded with inquiries from holidaymakers who know the prospect of a foreign trip is disappearing faster than a pina colada down a fat lass from Stoke.

They're said to be ideal locations for practising safe "social distancing" – partly because you can control your own space, washing facilities and cooking area.

But mainly because nobody wants to come within two metres of anyone whose idea of fun is shitting in a bucket while discussing the merits of every service station along the M5.

TUESDAY

SPEAKING of camping, history boffins reveal that King Henry VIII refused to sleep under canvas when he went to war – preferring instead to travel with a "flatpack" castle made mainly of wood.

And if you've ever tried assembling an Ikea wardrobe with your missus, you'll now understand why so many of Henry's wives ended up divorced or beheaded.

WEDNESDAY

THE hottest day of the year sees thousands flock to the coast for the four S's: sun, sea, sand and a significantly higher chance of catching coronavirus.

Police were called to one beach in Norfolk after well over a thousand people crammed onto it.

However, they were unable to take further action when it turned out they were all from the same family.

THURSDAY

ELDERLY national treasure Captain Tom Moore is to be knighted for his brilliant fundraising work for the NHS, it's announced.

It's a good job he's done so much for doctors and nurses – because he's going to need them when they try to knight him from at least two metres away.

Who is going to do the honours? Phil 'The Power' Taylor?

FRIDAY

THE Prime Minister issues some typically clear advice on staying two metres apart – by reminding us that it's the same distance as one bed, two benches, or four chairs.

He would have measured some other household items but that's all he managed to get in his most recent divorce.

Still, it's all he really needs – as he can bang Carrie on the bed while his other birds wait for their turn on the benches and chairs.

SATURDAY

THE Prince of Wales calls on all patriotic Brits to serve our country by picking fruit which would normally be harvested by migrant workers.

His brother Andrew was first to volunteer, offering to pluck as many cherries as possible.

At least, we think that's what he said.

MY UNSUNG HERO

by Jenny McLean, 28, 30FF, from Truro, Cornwall

'Without the hard working farmers, we'd all starve!'

I SAW Prince Charles on the news appealing for an "army" of workers to harvest Britain's fruit and veg during the pandemic.

And it got me thinking that our farmers really are the most vital people in the country. Without them, we'd all starve!

Everything on the supermarket shelves – everything we eat – comes from farmers.

Virus or not, they are the real key workers and they go out into their fields in all weathers to grow crops or raise livestock.

And, from what I read, the big supermarkets don't pay them fairly.

They have to be among the hardest working people in the country – so I think it's time we gave a big shout out to Britain's farmers who have been working double-hard in this difficult time.

PM IN NEW SEX-FOR-FAVOURS ROW

Boris OK'd my chip van licence for bum sex and a battered sausage – with Chinese curry!

SPECIAL SERVICE: Lu Lu says she let Boris do her up the wrong 'un

IN THE CLEAR: Boris as Mayor with Ms Arcuri

By BARNEY SAMUELS
news@sundaysport.co.uk

IT was some long-awaited good news for Boris...

After months of leading the fight against the deadly coronavirus – and almost succumbing to the death plague himself – the PM surely deserved a fillip.

And that came last week when it was announced he will not face a criminal investigation into his dealings with U.S. businesswoman Jennifer Arcuri when he was Mayor of London.

Although the Independent Office for Police Conduct said in its report that there was "some evidence" the pair had an "intimate relationship" there was no evidence Mr Johnson had influenced payments to Ms Arcuri or her companies.

The Prime Minister has always denied any wrongdoing.

But today he faces fresh allegations that, while Mayor of London, he gave a licence to a chip van owner to operate a lucrative pitch in the West End – in return for bum sex.

Not only that, Lu Lu Haskins claims that as well as offering her puckered privacy to Mr Johnson, she also treated him to a slap-up feed of battered sausage, chips and lashings of Chinese curry.

Inducements would be illegal under local authority rules.

Divorced Mrs Haskins, who has run her chip van business in the east of London for 20 years, said: "I always fancied a pitch up West where the real money is but the licences are like hens' teeth. Then I heard Boris was coming round our way – it was a few years ago when he was Mayor.

"I drove the van to whatever it was he was opening and I shouts over to him, 'Hey Boris…fancy coming into the van for one of my specials?'

"He was over in a shot and when I got him in the back of the van I says, 'You can have me up the rear end if I can have a licence for the West End'.

"He says something in Latin which I think meant 'OK' and then did me up my bum.

"When it was over I asked him if he wanted anything to eat and he said 'Oh, cripes, er… battered sausage and chips with Chinese curry, please'.

"He gobbled it all. Two days later, my licence turned up! I feel guilty about it now, though."

Number 10 has yet to respond to Lu Lu's allegations.

Nick serves balls to fans every week

TENNIS star Nick Kyrgios has revealed he bonks fans weekly now that he's single.

The Australian also admitted he was once so distracted by an "attractive girl in the crowd" as he played Roger Federer he struggled to finish the match.

The revelations came during an extraordinary four-hour Fortnite video game live stream on Thursday night and were a response to questions from fans during a Q and A session.

Kyrgios said: "Yes. In all seriousness, if I'm not seeing someone it's a weekly thing."

Of the Federer match distraction, he said: "I was slicing up Fedz and was like, 'Damn!' I wanted to take her out for a drink.

"Eastern Europeans just have my heart on the get-go. Tall Eastern Europeans, I'm just like 'take half of my earnings'."

Kyrgios and Russian tennis player Anna Kalinskaya, 21, broke up in March.

Shaggers shock at beauty spot

A HOT 'n' horny couple stunned onlookers by having a full-on shag on the grass at a famed beauty spot.

Passers-by enjoying the sun said they spotted a male's "questionable arm movements" during Wednesday's heatwave at Plymouth Hoe in Devon.

Then witnesses saw a woman "bounce up, lift her dress" and "hop" on top of the aroused fella.

The woman's bottom was on display and "you could see it going in," said one onlooker.

The witness added: "There was no subtlety whatsoever. Chocolate button out, the lot!

"They were at it for a good 15 minutes."

The witness said they considered approaching the couple and asking them to stop as there were young people nearby, but didn't want to cause a scene.

Tara & Jeward do it with lights off!

SHARKNADO star Tara Reid has been holed up during the coronavirus pandemic with her fella – and Jedward twins John and Edward Grimes!

The singing duo starred on *The X-Factor* as well being Ireland's musical ambassadors in the 2011 and 2012 Eurovision Song Contest.

Tara, 44, said she met the twins when they all starred on *Celebrity Big Brother* back in 2011, adding: "We are all artists… John and Edward, you should hear the songs they're writing now!"

Meanwhile the identical twin brothers, both aged 28, said: "We cleaned Tara's windows yesterday," adding that their living situation is like *Big Brother coronavirus*.

While they've been stuck inside, the celeb trio has been listening to daily Deepak Chopra meditations for the past 11 days.

Jedward added: "We did it last night together, with all the lights off – Tara loves it!"

Kelly: I love wind on my bare bum

POP stunna Kelly Rowland has confessed she loves stripping NAKED in her back garden.

The former Destiny's Child singer admitted she has no problem going "completely nude" at home and has urged others to follow her lead because it's such a "freeing" feeling.

Appearing on the *Aussie Kyle and Jackie O Show*, Kelly, 39, dismissed the hosts' suggestion people don't get naked in their backyard.

She told them: "Well, then you're missing out – because let me tell you something…

"There ain't nothing more freeing than feeling the nice, brisk wind on your bottom.

You know, grazing by."

Kelly (*right*) is currently at home in the US with her family during the coronavirus pandemic.

British Naturism said last week that there has been a 100% increase in folk stripping off at home during the UK lockdown.

Beeb tells site to take down Normal 'porn'

NORMAL People bosses have issued a takedown notice to Pornhub after a video compilation of sex scenes from the hit drama series surfaced on the world's biggest flesh website.

A user shared a selection of explicit scenes from the BBC3 12-parter and merged them into a 22-minute wankfest.

The video was shared on the adult website last week but has since been taken down after the removal request.

The show has received praise for its "honest" and "relatable" sex scenes.

The story follows well-heeled Marianne Sheridan's (played by Daisy Edgar-Jones) complex on and off relationship with working-class love interest Connell Waldron (Paul Mescal).

A "disappointed" spokesman for the Beeb said: "It's both a violation of copyright and deeply disrespectful to the actors."

Epstein artist: Trump wanted me for dinner

SICK Jeffrey Epstein – the paedo pal of Prince Andrew who topped himself while locked up awaiting trial for kiddie-fiddling offences – once hired an artist to paint his underage female victims.

Now the artist also claims US President Donald Trump – before he got to the White House – leered at her when he visited his financier friend.

Maria Farmer, the first woman to publicly accuse Epstein (*above*) of sex abuse, said Trump had to be ushered into another room, with Epstein telling him: "No, no, no… she's not here for you."

Maria, 50, said she was hired by Epstein – who killed himself in a New York jail cell last August – soon after she graduated from The New York Academy of Art at the age of 25.

She said: "It was at night and Epstein's office was empty. Trump walks in and I acknowledge him and he's just staring at my legs. I felt like I was his dinner, the way he was looking at me."

Trump's latest quack virus cure is nut-spread ENEMAS

By BRAD CHADWICK in Washington DC

POTTY President Trump has a new way to keep free of coronavirus – daily injections of PEANUT BUTTER up his arse!

And First Lady Melania is NOT happy!

The 73-year-old Commander-in-Chief read about the unconventional remedy on a conspiracy website last week and ordered the presidential physician, Dr Sean Conley, to administer the quack cure.

The former US Navy medic refused, citing ethical reasons, so Trump ordered a female Secret service agent to do the honours instead.

The first session was a less than 100% success as the President clenched his rectum when the buttery spread shot up his backpipe, spurting peanut butter over the agent and on an 18th century bedspread in the presidential quarters.

A White House source said: "The First Lady heard the President yelping and cursing, ran in and saw the scene.

"Well, it looked like something from a German scat movie and Trumpy had a real devil of a job persuading his wife it was only peanut butter – and a '100% effective' way to ward off corona.

"She was furious.

"The agent asked to be reassigned, so now a nurse from Trump's medical detail is having to give him nut-spread enemas.

"Just another chapter in the lunatic Trump White House story. You literally could not make this up."

Last week the Yank President told the press he is taking the malaria medication hydroxychloroquine to ward off coronavirus, despite public health officials warning it may be unsafe, and regulators warning the drug may cause heart problems.

Naked man in hospital after street flip flop

A NAKED man was rushed to hospital after he hit his head doing a front flip in the street.

Police were called to Harbour Parade in Ramsgate, Kent – outside The Pavilion Wetherspoon pub – after concerns were raised about a man's "erratic" behaviour.

The man is thought to have injured himself after performing a forward flip from seating and landing on his back on an area of hard concrete.

Officers attended the scene with ambulance crews, and the injured man was later taken to hospital for treatment.

A spokesman said: "Inquiries into the circumstances surrounding this incident remain ongoing."

It is not known why the man was naked.

THE VOICE OF YOUR BRITAIN

They want to see EU back this summer

WHEN Britain voted to leave the European Union way back in 2016, the shroud-waving naysayers of the Remain camp prophesied doom.

It was, they claimed, the end of this nation's close friendship with our continental neighbours.

Those hysterical shrieks rose again when pro-Brexit Boris won a thumping victory at the 2019 election.

The world has, of course, changed dramatically since December.

A miasma of pestilence has swept in from the godless East and has engulfed the world.

Planes grounded, borders closed, plans thwarted and – let us not forget – many, many deaths.

Unshaken

But one thing remains unshaken – Britain's love affair with the beaches of the Continent.

Our great nation may not want to be ruled by Brussels but we still adore the sunnier parts of Europe.

So joy fills our hearts when we learn that Spain, Portugal, Italy and Greece have all announced their beaches and hotels will be open to Brits this summer.

And it shows that, even though we are no longer part of the hated European Union – an evil empire which has spectacularly failed its subjects during the coronavirus panic – we are still friends with our European partners.

This summer, once again – although, perhaps, in smaller numbers than usual – British men will be jetting south to admire all that gorgeous, tanned Eurotit!

Sh*t hits the clan

ANGRY locals in a remote Scottish village have taken to pelting tourists with DOG DIRT to enforce strict lockdown there.

That's hardly a new thing.

Strangers entering some of the livelier parts of Glasgow have been greeted the same way for generations.

Can you spot the beach BUM-SNIFF pervert?

SICKENING: Filthy arse-sniffer Dennison joined beach crowds

IT was too much to bear...

Eight weeks of lockdown and with the mercury heading the 80s, Wednesday's mini-heatwave brought a national cry of "Oh fk it!" – and Britain headed for the beach.**

Despite terrors over the Chinese Death Plague and lockdown still technically in place, thousands jumped into their motor cars and headed for the seaside.

Beaches from Northumberland to Newquay were packed, while the good people of Wales stood at their borders to repel English trippers heading for Rhyl and Colwyn Bay.

And in Dorset, the famed Bournemouth beach was also rammed.

But look very closely at this picture taken on Wednesday afternoon...

Sharp-eyed readers will doubtless spot the unwelcome figure of seat-sniffing uber-perv CLINTON DENNISON with his tootsies in the sand ready to prey on the arses of innocents.

One dad, when told of the presence of 34-year-old oddball Dennison just yards from his family, raged: "If I'd spotted him, I would have done time. Ruddy perv!"

But can YOU spot Clinton? If you're struggling to find him, the answer is on p25.

Nicholas said raunchy scenes in The Great cracked him up

By BRAD CHADWICK news@sundaysport.co.uk

ACTOR Nicholas Hoult says he finds sex scenes "very difficult" to film and often bursts into fits of giggles during takes.

Nicholas, 30, found it tough to keep a straight face in his love scenes with Elle Fanning in the Hulu series *The Great*, in which she stars as Catherine the Great and he plays her husband Peter III.

In an interview he told how in many of the sex scenes, Peter is either spouting outlandish dirty talk or not paying much attention.

He said: "They're very difficult to do because they are very funny, and just ridiculous.

Hilarity

"And already, you're in a slightly uncomfortable position doing that.

"But then add the sprinkle of hilarity on top of that and it becomes very difficult not to start giggling. And I giggle a lot. So that was trouble for me."

Nicholas added that sometimes he'd break because of something funny happening within the scene.

He said: "It just makes me go, and then I'm like, 'Right Elle, I can't look at you for the next take, I'm afraid.

BIT OF A GIGGLE: Nicholas in role

"So I'm just going to kind of slightly just look just left of your eyeball and now I'll focus there and maybe then I won't laugh so much'."

He added that the sex scenes were often written to be "offbeat".

Sex parlours reopen for hand relief

THAI massage parlours are set to reopen – but only for HANDJOBS.

The South East Asian country's Public Health Ministry said it will ask the COVID-19 task force to allow its infamous parlours to reopen but only to treat "organs below the waist".

The move comes after operators urged authorities to reopen their venues as soon as possible due to economic worries.

An official spokesman said that massages to the upper body, such as the neck, shoulders and back, must wait since it could pose a higher risk of spreading COVID-19.

However, the idea will be left to the task force to decide.

Last week, the task force allowed venues such as shopping malls, gyms, beauty clinics and public swimming pools to reopen, with restrictions.

Jailed ex-teacher divorces loyal hubby after 'lesbian affair'

By BRAD CHADWICK in Arizona

news@sundaysport.co.uk

A RANDY teacher has filed for divorce from the husband who stood by her after she was caged for shagging a teen – because she turned LESBIAN behind bars!

Brittany Zamora, 29, was convicted of having sex with a 13-year-old student and jailed for a whopping 20 YEARS.

Loyal husband Daniel stood by her throughout the trial and even shelled out in a lawsuit brought by the lad's parents – who sued him for not ratting on the wife who cuckolded him.

Now stunning Brittany has repaid that loyalty by filing for divorce after finding a "prison wife".

A source at the high security prison in Perryville, Arizona, said: "We all know Brittany Zamora loves hard, young cock squirting jets of hot spunk into her pretty face – but it's also clear, from the noises coming from her cell, that she loves the taste of pussy, too."

It's believed two burly jail lesbians FOUGHT to have "first go" with Zamora and the winner – a murderer who escaped Death Row on a technicality – claimed her prize.

Our source said: "In here, a pretty piece of pussy like her needs protecting. That's the deal – pussy-licking for protection."

Nurse: People are partying to try & catch coronavirus!

A NURSE has revealed she's treating patients who have attended "coronavirus parties" – in an attempt to catch the deadly bug and develop immunity.

Yolanda Enrich said: "Over the last few days, we have heard from a lot of patients and the community that they're unafraid of getting the virus.

"People are actually out and about trying to get the virus, so they're attending gatherings and parties – trying to maximize their chances of exposure."

Ernich, a nurse at Novant Health Forsyth Medical Center in North Carolina, said younger patients have told health care workers they're hoping to develop antibodies so they no longer have to take precautions while they're out in public.

However, health experts have not yet determined whether coronavirus antibodies actually deliver immunity.

And North Carolina Governor Roy Cooper told a news conference: "You can easily kill someone you love," adding the sickening soirees are "completely irresponsible and totally unacceptable."

As THE SUNDAY TIMES publishes its annual Rich List, today we present the . . .

By SIMON DEAN
news@sundaysport.co.uk

SUNDAY Sport 2020 POOR LIST

THE assets have been assessed, the piles of gold and diamonds have been counted – and Britain has a NEW richest person.

Vacuum cleaner guru Sir James Dyson has topped the *Sunday Times* Rich List for the first time after increasing his net worth by £3.6bn in a year.

The Brexit-backing entrepreneur made his fortune with the invention of the bagless vacuum cleaner, which went on sale in 1993.

A self-made man, Sir James, 72, grew up in Norfolk in the 1950s and studied art before his art college principal suggested he go into design.

He replaced the Indian-born businessmen Sri and Gopi Hinduja at the summit of this year's Rich List.

The current pandemic is being blamed for a fall in the overall wealth of the UK's richest people.

But while staff at the posh *Sunday Times* busy themselves counting the baubles and diadems of Britain's super-rich, here at *Sunday Sport*, we're a lot more down to earth and in tune with everyday life.

SUPER-RICHEST: Sir James Dyson

Since 2011, we have compiled the *Sunday Sport* POOR LIST – an essential compendium of our nation's truly potless.

Here are the results for 2020…

DIRTY BILLY, 59, FORTUNE: £0

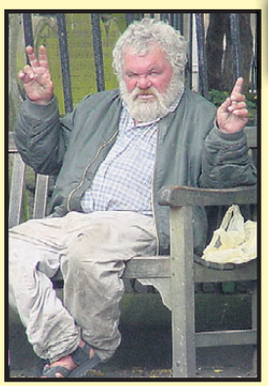
SEVEN years ago Billy was truly on his uppers.

A three-week Windolene and Tizer spree had reduced his already microscopic fortune even further.

He disappeared from the list in the intervening years – his whereabouts not even known to himself, most likely.

But Billy has finally popped up again, proudly shouting about his return to the Poor List to bewildered seagulls on the Central Pier in Blackpool.

SHOUTY ANGUS, ??, FORTUNE: £0



ANGUS has been on the Poor List since its inception in and since then his financial status has remained remarkably consistent – he's never had anything more than tuppence in his ragged pockets.

But his colourful character has developed apace – to the delight and wonder of Blackpool residents, who watch his progress around their town with keen interest.

Angus communicates with the outside world using a system of barks, grunts and whistles that are only audible to cats.

His imaginary sister Maureen joined Angus on the prom earlier this year and the pair have lively debates. Angus's age is unknown.

SID THE BROOM, 49, FORTUNE: £0

ANOTHER newbie on the Poor List, Steve is a puzzle, wrapped in a mystery, wrapped in an enigma…wrapped in a dirty blanket that smells of unspeakable matter.

On his arrival in Leicester's al fresco drinking community, Steve claimed variously to have been a caretaker for the King of Siam and a commissionaire at Harrod's.

His favourite tipple is Lambrini fortified with Benylin, a cocktail that fuels some truly outlandish behaviour.

He is often seen standing outside a coffee shop – which was once a branch of Radio Rentals – and insists he can still see the ghosts of long-gone TV screens in the window.

Has Poor List staying power.

ANGRY STEVE, 54, FORTUNE: £0

IF convictions for public drunkenness, threatening behaviour and outright violence were pounds, shillings and pence, Steve would be a rich man indeed.

Originally from Inverness, newcomer to the list Steve stole a Grifter bicycle from a child in 1979 and headed south to London to make his fortune.

By 1984, he'd got as far as Nottingham and that is where he's stayed, making a nuisance of himself to residents of that city.

His most recent conviction involved an act of impropriety with a Shih Tzu belonging to a city councillor at a bus terminus.

PASTILLE ALAN, 47, FORTUNE: £0

ALAN has been on the Poor List from the start and has become something of an icon for down-and-coming aspirants to the List.

Slow-and-steady has been the key to Alan's longevity.

In 2013, he managed to remain fast asleep as a former Kwik Save branch was demolished around him, and for much of 2017 he was not witnessed moving at all.

Legend has it in his Bolton hometown that Alan has wooden legs but real feet – a legend that fascinates and alarms local schoolchildren.

Alan is married with three children – Alex, Francis and Murgatroyd. His family live quietly in his unsound mind.

THE BIG RISERS

LORETTA, 52, FORTUNE: £0

LORETTA'S appearance led to her being hailed as a champion of the trans community and last year she appeared on a float at Rotherham Pride – clueless as to what was going on.

There was embarrassment when it emerged she was not trans at all – just a very ugly woman.

SHOUTY MIKE, 52, FORTUNE: £0

VARIOUSLY claiming to be Frank Bough's former business manager and an Albanian tycoon, Mike adds colour to the Staffordshire town of Leek.

When lockdown was announced and authorities tried to house Mike in a hostel, he responded by stripping naked and running into the hills.

THE BIG FALLERS

NORMAN, 54, FORTUNE: £0

FATE has been unkind to Norman over the past year – as it has been for every year of his existence.

In January he lost his beloved trousers to a dog in a game of blackjack, and in March his pet mouse Cecil was run over by a yob on a Segway.

DANIEL, 34, FORTUNE: £0

LAST year Daniel turned up at the Knutsford May Day fair speaking a language that confounded linguists from Manchester University.

Since that brief flicker of fame, Daniel's star has waned and he was last seen chasing invisible flamingos in Crewe.

Rape charge perv tasered in his penis

A NAKED man was tasered in the COCK as he tried to get into a fast food diner to molest a woman in the middle of the afternoon.

Police arrived to find Christopher Vittoria (*above*), 53, "naked and acting erratically".

Vittoria refused to comply with police orders and was tasered "in the genital area".

A woman told cops that Vittoria had attempted to sexually assault her.

He was dragged off to the county jail in Oxnard, California, and charged with intent to commit rape and resisting arrest.

He was later released on bail pending a trial at a later date.

It is thought he also attended a local hospital to seek treatment for a badly damaged cock.

Drunk's hauled in for trying to snog drinkers

A WOMAN was arrested after repeatedly trying to kiss strangers at a bar – yet also calling cops five times to complain that people weren't remaining socially distant inside the establishment.

Pissed-up Audra Adams (*above*), 32, wound up busted for trespass after she refused to leave Monkey Bar and Grille in Indialantic, Florida.

Cops showed up after Adams' fourth 911 call. Before then, customers at the bar had complained to the owner that she'd tried to kiss several people.

At the owner's request, she reluctantly left the bar, which is serving booze and food under phase one of Florida's reopening plan, but she refused to leave the car park.

Adams allegedly told cops who warned her she was trespassing: "I'll sit in the parking lot all night."

She was taken to the cop shop where she was also charged with disorderly conduct, resisting an officer and misuse of the emergency phone system.

Mars Bars up arse champ branded a cheat for using the small multipack ones

FURIOUS: Mark and his wife Pat

THE world of competitive confectionary-up-arsing is in TURMOIL after the man who held the Mars bar-up-bum record had his title WITHDRAWN.

Mark Anderson had kept his record of squeezing 12 of the popular household treats up into his otherwise out-of-bounds bumhole since summer last year.

But now the all-powerful International Anal Insertion Association has ripped the award back off the garden centre worker from West Derby, Liverpool.

SUNDAY SPORT EXCLUSIVE
By JUSTIN DUNN

The outfit's officious rules and regulations committee says Mark, 41, broke all their bum-fudge guidelines as he failed to use standard-sized 51g Mars Bar to pack up his fundament.

And they're insisting his use of the smaller, 39.4g bars from popular multipacks means his record claim is now void.

Leakage

But Mark is furious that this was never pointed out to him at the time of his great effort and is demanding his title is reinstated.

He told *Sunday Sport*: "You have to wonder if anyone can contemplate the idea of getting 12 Mars Bars up your arse.

"I tell you what, it takes a lot of time and effort to get them all in there, snugly fitted, without any chocolate leakage.

"To suggest that I was somehow cheating when really I was just being thrifty by saving some cash on the multipack is devastating.

"It has literally added insult to injury, because having that amount of chocolate packed inside your arse takes some doing and doesn't lend itself to comfort."

Mark is now being comforted by his wife Pat, 37 – herself a recordholder for having fitted an impressive 14 Fry's Turkish Delight up her front bottom.

She said: "Our Mark has done his level best to reach greatness and this is how those f**king snide c**ts treat him.

"I'm worried sick now they might try to take my own title off me, too.

"All that work for nothing.

"It's enough to make a grown man cry and it wouldn't surprise me if our Mark did – not just when he set his record, either."

DON'T HAVE THE PRAWN VINDA-LOO!

THE things you see in lockdown...

Whatever this poor lady bought in that fast food diner, it certainly didn't agree with her!

Harrison Foster, who snapped this unpleasant scene in Clayton, Ohio, said: "What you don't get from the photo are the sound effects.

"It was kind of a groaning, followed by an 'Aaaah!' – then an ungodly splatter.

"I really feel for the council guy who had to clean that up afterwards.

"We could smell it, too – and we were 100 yards away."

THE ICE COLD PINT KILLER

Pub lockdown drove mild-mannered plumber to murder six people

NO MORE BEER: Killer faces Death Penalty

SNAPPED: Tom Kendrick told cops he missed going to the pub

KILLER: How local media reported the slayings

By RICHARD MOONE
news@sundaysport.co.uk

AS Tom Kendrick sat slumped at the table, his checked shirt still caked in blood, sickened detectives repeated one question...

"Why, Tom? Why did you kill them?"

Kendrick looked the cops in the eye, one after the other then said quietly: "I just wanted a beer – I wanted an ice-cold pint of beer..." At that moment, quiet Tom Kendrick became the ICP Killer – the Ice Cold Pint Killer.

Just two hours earlier they'd been called out to what will almost certainly be their most extraordinary job during COVID-19 lockdown in the usually quiet, academic city of Durham in North Carolina.

"Please, come quickly," whispered a terrified woman's voice to the emergency services operator. "He's killing everyone."

Cops rushed to Eno River State Park, a public area with 4,000 acres of hiking trails, canoe launches, picnic areas and historic structures.

Corpses

And, as the police found when they arrived, the home of six fresh corpses.

Sam Meadway, a 66-year-old electrician, lay dead alongside his wife of 32 years, ex-teaching assistant Leena, 63.

Both of their throats had been cut.

Nearby lay the body of Noreen Moran and her childhood friend, Ellie Pearson.

Both of them just 58 – and both lying deadly still with knives sticking out from their hearts.

And, across the path, were two more. Two men left sprawled on the grass – one with a shard of glass still lodged into the side of his neck, the other with a deep gash in his stomach.

They were John Nicholson, 24, and friend Carl Stonehouse, 25, who police would later learn were have-a-go-heroes who died trying to save the others.

Eyewitness Barbara Hall, 38 – the woman who had called police – described what she had seen during her day's exercise hour.

"People were wandering through the park minding their own business and observing social distancing," she said.

"I was just enjoying the fresh air and the sunshine.

"Then I heard what I suppose you might call a scuffle, and a shout, and I turned around to look.

"An elderly woman was trying to stop a young man from assaulting her husband.

"Everything happened so quickly.

"What seemed to be a stupid argument suddenly turned horrific – I saw a flash of something, then heard a cry as a gush of blood suddenly shot out.

"The woman started to scream but then the killer twisted around and slit her throat, too."

Barbara, who normally works in one of Durham's libraries, then watched as the man later to be identified as Kendrick leapt on best friends Noreen and Ellie, who were cowering in horror.

"He was like a wild animal," she added.

"He pulled what looked like kitchen knives from his belt – he had loads of them – and stabbed both of them at once.

"I've never seen anything like it.

"As they fell to the floor the two young men tried pouncing on him, but he just took them out, too.

Madman

"Then he just walked away a little bit, sat down on the path, put the knives on the floor and his head in his hands and began to sob.

"That was when I called the police.

"They arrived very quickly, and he didn't resist arrest. But it was such a bloodbath they Tasered him anyway.

"Damn good idea if you ask me – he must be a madman."

Even seasoned detectives were left speechless with horror when they realised the extent of Kendrick's rampage.

One officer said: "I heard one detective – a hard guy who started his career in New York – sobbing in the toilet after he'd seen all that gore."

Under North Carolina law, Kendrick, 64, an out-of-work plumber, now faces the death penalty after he was charged with multiple first degree murders as "the capital felony was especially heinous, atrocious, or cruel."

But worse was to come when Kendrick was eventually grilled by detectives in the police station interview room.

A police source said: "He shook his head, looked down at the floor, and said, 'I just wanted an ice cold beer. I just wanted a pint of ice cold beer'.

"And that was it. He said he was missing his boozer so much during lockdown he just snapped in the heat.

"All of that violence, bloodshed and death because he didn't have a cold one in the palm of his hand.

"The irony is that he'll probably never, ever have a beer again."

Local media interviewed one of Kendrick's drinking buddies, Bobby Johnson, 52, who told them: "I was sat at home, knocking back a few cold ones, when the TV news came on.

"There was all this commotion about some loon freaking out during lockdown and going on a killing spree up there in Eno Park.

"Bodies and blood all over the place. Well, it near enough made me spew, I can tell you.

"But then they named the suspect as my old buddy Tom from the local bar – well, I almost dropped my god damn beer!

"I've sat next to that guy at the bar, putting the world to rights, for near on 10 years I'd say. But I don't never remember him saying he'd like to go slashing and stabbing folk up like that, no sir.

"Lockdown done some queer things to people, I tell you... real queer things."

Now, instead of his much yearned-for dimly lit bar, Kendrick faces years on brightly lit Death Row before eventually receiving a lethal injection.

The police source added: "Like this lockdown isn't bad enough – I don't think I'll ever forget this day."

Uncle, 81, killed nephew lover in S&M sex game

A PENSIONER has been charged with killing his nephew in a sex game gone wrong after cops found emails between the two men disguising their S&M antics as a "mugging".

Alan Bischof, 81 (*above*) and his nephew Craig LaMell, 65, had a sexual relationship which incorporated sadomasochism.

Before LaMell died, he told police he was walking near a bike trail in Houston, Texas, when he was attacked by three men.

LaMell didn't give police any identifiers that could lead to the arrest of the attackers so the case went cold.

But they picked up a lead when Bischof was laid off from his job at a major oil company.

Officials told police they found personal emails on Bischof's office computer that revealed his sexual relationship with LaMell.

In one email, Bischof wrote that leading up to and on the day of the assault in November, LaMell had requested Bischof to assault him.

Zoom sued over OAP porn-bomb

A CHURCH is suing Zoom, claiming that the video-conferencing app's security failures enabled a hacker to stream porn into a Bible-study class.

The X-rated content, played during the class at Saint Paulus Lutheran Church in San Francisco, was seen by the church's administrator and elderly congregants, leaving them "traumatised and helpless".

"Instead of providing Saint Paulus and its congregants with a password-protected and secure conferencing platform, Zoom allowed a 'known offender' – one who 'has been reported multiple times' – to Zoombomb the class," the suit alleges.

Class attendees, most of them senior citizens, "had their computer screens hijacked and control buttons disabled while being forced to watch pornographic video footage," the suit says.

Cheers, Martin Lewis... you turned my wife into a LESBIAN!

DROWNING HIS SORROWS: Matt invested savings in bottles of cider

NEEDS: Eunice

SELF-employed gas fitter Matt Cookson is such a fan of TV's money saving guru Martin Lewis that he once considered changing his name by deed poll – to be called the same.

But at the last minute he lost his bottle and decided to stay as plain old Matt – but not before he'd slavishly followed Money Saving Expert Martin's advice.

In fact, his devotion to the finance journalist may have been TOO slavish as he neglected wife Eunice – and she ran off to become a LESBIAN.

Matt admitted: "I've read Martin's entire website at least twice. I've done the phone calls, made the switches, swapped contracts and bounced around power companies.

Tight-arsed

"I think I've spent solid days on the job.

"I've been turning off my plugs at night and even leaving the milk outside our back door – to save money on the fridge and that.

"And yes, when I look back, I probably did neglect Eunice. She is a woman with needs. She thought I was just being a tight-arsed c**t who refused to waste money on things like flowers, chocolates, clothes, or Christmas presents.

GURU: Martin Lewis

SUNDAY SPORT EXCLUSIVE
By JUSTIN DUNN

"But running off to become a lesbian, with a burly prison officer? That's a lot for flesh and blood to take.

"But I don't blame her. If I blame anyone, it's Martin Lewis. He never warned that by following his advice your wife might run off to become a lesbian.

"In a very real sense, Martin Lewis turned my wife into a lesbian."

To add further insult to injury, 58-year-old Matt's savings after he followed Martin's advice hardly compensated for the loss of his spouse.

He said: "I had saved just enough for a few bottles of Three Hammers cider to drown my sorrows – but it wasn't worth losing my wife for.

"I hope Eunice is happy with her new 'partner'."

TIT'S GONNA BE A GREAT SUMMER AFTER ALL!

Joy as officials announce holiday beaches WILL open to Brits in 2020

GLOOMY OUTLOOK: Grant Schapps

CABINET killjoy Grant Schapps caused a wave of gloom when he recently announced "No summer holidays this year".

By JAYNE FERGUSON
news@sundaysport.co.uk

The transport secretary said social distancing and travel restrictions imposed due to the coronavirus were likely to scupper trips to the foreign sun.

Those comments were met with despair by Abta, the holiday firm trade association, and millions of Brits who enjoy an annual trip to the Med to escape Britain's iffy summer.

But Mr Schapps reckoned without the backbone of holiday destinations including Spain, Portugal, Italy and Greece.

As the plague subsides, the top holiday destinations are making plans to reopen their beaches.

And – despite Brexit – Brits are as welcome as always!

That means randy Brit lads will still be able to get their fill of saucy foreign ladies sunbathing topless on the beach!

Last week, Spain's foreign minister Arancha Gonzalez Laya said the country will reopen to visitors at the earliest possible opportunity.

Meanwhile, Greece plans to open its borders to tourists on July 1, Italy on June 3 and the Portuguese tourist board has said a "return for tourism is not far away".

One sun worshipper said: "If I had to spend a summer without my fix of naked teats on the beach, I'd go mad!"

GREECE

"MY country has suffered terribly in recent years thanks to restrictions on our economy enforced by the Germans.

We need the tourists more than ever and they will get a great Greek welcome – even the Krauts!"

Inna Innaki, 31, 36C, from Greece

SOAKING UP RAYS: What can be more tan-tastic!

PORTUGAL

"WE are very worried in Portugal, as it is a place where very many older people visit to get some sunshine and, of course, it is the elderly who suffer the most with the virus.

But it looks like the worst is over and I look forward to seeing very many Brits on our beaches this summer."

Charlyse Bella, 28, 34D, from Portugal

SPAIN

KIP IS ON, KIT IS OFF: It's what hols are all about!

"I COME from the Costa Del Sol and all my family work in the tourist trade.

When we heard that there may be no tourists this year, we were all very worried.

The lockdown has been horrible in Spain – we need to let our hair down now. Ole!"

Nekane, 28, 36D, from Spain

"THE Brits have always loved Italy and we love the Brits.

Both countries have lost a lot of people because of this terrible virus and it would be horrible if it killed the tourist trade, too.

Come to Italy – it is glorious."

Stella Cox, 29, 32E, from Italy

...AND RELAX! Topless bathing is so hot

ITALY

BANGED UP: Dad and son

Father and son cannibals ate policeman pal

DEPRAVED father and son cannibal murderers have been jailed after beheading an ex-cop and cooking his body parts.

Maxim and Yaroslav Kostyukov, 42 and 21, were convicted of killing Yevgeny Petrov, 45, and will serve 15 years each.

The three had been drinking together when a row developed over the conflict between Kyiv's forces and pro-Moscow rebels in the eastern part of Ukraine.

The son held Petrov from behind while the father stabbed him twice in the chest.

DINING FOR TWO: Victim was cooked

Supper

Yaroslav then severed the ex-policeman's head and cut out flesh from the corpse as well as his heart, kidneys, liver and other internal organs.

He admitted cooking the 'meat' which was served when the pair invited a homeless man called Yura for supper.

Yaroslav later changed his testimony to deny being the cook and claimed he "hardly ate" the 'human broth'.

He was sick as soon as he took the first bite, he said, and claimed the homeless man had "feasted" on most of it.

But police said there was clear evidence the pair were cannibals and had cooked and eaten their victim.

The headless corpse was found dumped near a cellar doorway close to an apartment block in Saltivka, near Kharkov.

The ex-wife of the victim identified him from his severed head.

HOLY SHOOT...

PRIEST Father Tim Pelc, 70, blessed his flock while socially distancing in Detroit – by squirting them with holy water from a water pistol!

BANG OUT OF ORDER

COPS nicked 20 men who ignored a nationwide coronavirus lockdown and paid £2 each to attend a gang-bang orgy with hookers in Cali, Colombia.

Bison tramples woman to death in wildlife park

A WOMAN was trampled to death by a BISON at just hours after a national park reopened to tourists amid the coronavirus pandemic.

The beast knocked the woman to the ground and trampled on her soon after she arrived at Yellowstone National Park.

She was among the first to be let back in to the western USA park and was in the Upper Geyser Basin area, near Old Faithful, when she approached the large mammal too closely, park officials said in a statement.

She was treated by paramedics but died at the scene. The incident is under investigation.

It was the first bison attack at the park this year.

The 3,500-square-mile wilderness area reopened last week, after being closed for two months because of the coronavirus outbreak.

'God bless my right to kill a nude burglar'

A PROUD homeowner declared "God Bless America and God bless our right to have guns" – after shooting a naked teenage burglar to death at his home.

Aaron LaTowsky (*above*), 41, was working on his property when his family's dog alerted him to activity coming from inside his home.

Armed with a shotgun, he went into his child's room and was confronted by the naked suspect, who was holding a large piece of wood.

The suspect charged at LaTowsky and was shot twice, say cops who attended the scene in Scottsdale, Arizona, and recognised the dead man as a local crook.

LaTowsky said: "God Bless America and the Second Amendment. Glad I was able to protect my family. God bless the police for coming so quick to take care of us."

The Second Amendment gives the Americans' the constitutional right to shoot burglars dead.

I'M against hunting. In fact, I'm a hunt saboteur. I go out the night before and shoot the fox.

Cop sacked for racist FB post

A COP is out of a job for a racist Facebook post in which he allegedly suggested it was "unfortunate" that the coronavirus pandemic had not killed off black people, officials said.

Steven Aucoin was fired after an investigation into the hateful social media post.

A police spokesman in Kaplan, Louisiana, said in a public posting: "We are writing this to inform everyone that we were made aware of the situation with the comments on Facebook from Steven Aucoin.

"The Kaplan Police Department would like to apologise for the matter."

They did not detail exactly what Aucoin wrote, but said he insinuated that he thought it was "unfortunate" that the ongoing coronavirus outbreak had not killed off all black people.

Scottish lockdown village keeps out visitors by pelting them with DOG DIRT

SHITTY TRICK: Duncan Campbell came up with dog dirt idea

By BARNEY SAMUELS
news@sundaysport.co.uk

THE far north of Scotland would seem to be the ideal place to get away from the swirling clouds of Chinese Death Virus in Britain's towns and cities.

The crystal-clear air, the sparkling, life-giving waters and the wide open spaces are just the things to ward off contagion.

And locals want to keep it that way!

Residents of several remote villages in the Highlands have erected signs warning outsiders to keep out – and keep their filthy germs away.

But in Glenhoots, Sutherland, they're going even further and are pelting incomers with DOG SHIT to drive them away!

In scenes not seen in mainland Britain since the Middle Ages, locals have formed themselves into vigilante groups to keep an eye out for approaching visitors.

Anyone who gets too close faces a barrage of abuse – and if that doesn't work, the plop bombardment starts.

The shitty trick is the brainchild of Glenhoots resident and councillor Duncan Campbell.

Filth

He stormed: "There's no virus in Glenhoots and that's the way we want it to stay.

"There's people who come up here – all the way from Glasgow or Perth, or even London bringing their dirty plagues with them.

"We tried reasoning with them. We only started throwing dog mess as a last resort."

It certainly does – because since the locals started throwing the filth, there have been NO coronavirus cases in Glenhoots.

Other villages in remote areas of Scotland are taking similar – if lass drastic – measures.

In the Lochaber community of Applecross, residents have placed a large notice along the famous Bealach na Bà road, part of the North Coast 500 route.

It reads: "Attention Visitors! Businesses are closed in Applecross. No food/drink available. Public toilets locked. No facilities. Community isolating - please respect."

In nearby Lochcarron a dummy holds up a home-made sign asking visitors to go home, while further north, locals in John O'Groats, Caithness, have placed hay bales to block off the car park at the popular photo spot.

THAT'S NET FUNNY!

People are finally listening:
Crowds are gettin smaller.

I'm going to hell

WARNING: Locals place signs to ward off outsiders

CHRISTINE McGUINNESS ISN'T THE ONLY BABE TO SEX TAPE

'I finish with spunk on my face'

DANI MAYE, 26, 32F, FROM KINGSTON UPON THAMES, LONDON

THERE'S nothing hotter than going down on my knees and sucking a hard cock while my man is filming me.

I like to dress in my sexiest lingerie while I do it and as I'm getting ready, I start to get wet at the thought of what's to come.

My man always films me striding into our bedroom in my hottest bra, knickers, sussies and stockings.

And he likes it when I talk dirty and tell him what I'm going to do to him.

Then I kneel if front of him and take his cock in my mouth.

I love to feel it get harder as I suck him and make a point of looking directly into the camera as I do it.

Then I turn around and bend over, pull my knickers down and make sure the camera gets a good look at my pussy – I want him to see how turned on I am.

'Give me that cock now,' I say, 'I want your big hard cock inside me, stretching me out'.

Then he takes me hard from behind.

And this being a porno I have to finish with his hot spunk all over my face!

Later we always watch it back and I get turned on all over again and end up riding his hard cock...

'We didn't just use our tongues and fingers'

KRYSTAL WEBB, 30, 30G, FROM BIRMINGHAM

I HAVE made DOZENS of my own porn films – I love it.

It feels so naughty and dirty to know that there is a record of me doing the wildest things.

And I always put on a show for the camera.

The naughtiest thing I've done is to make a lesbian porn tape, just for my fella to enjoy when I'm away working.

My best friend and I have always dabbled in girl-girl stuff and my man has never objected.

So, I secretly made a vid with her that totally blew his mind.

She wore a GoPro camera on her head so the whole thing is filmed from her point of view.

It meant when I went down on her my bloke got top see me licking her pussy exactly how SHE would.

He loved it – but not as much as I loved making the film.

Lesbian action has always been a turn on for me and I have slept with quite a few women.

But this was the best ever – we didn't just use our tongues and fingers, either!

At one point, I wore a double strap-on and was doing her up the arse and in her fanny at the same time.

And then we had a huge, thick strap-on that she wore which made me come the second I got it inside me.

My lucky fella thought that all his Christmases had come at once when I showed him the movie!

FILM HER SHAGGING SESSIONS...

STUNNAS!

CELEBRITY COUPLE: Christine and Paddy

By GARY DORAN gary@sundaysport.co.uk

BIG-BUSTED model and celebrity wife Christine McGuinness has revealed she has made a kinky sex tape with her comedian hubby Paddy.

The 32-year-old made the confession on an episode of *The Real Housewives of Cheshire* last week, shocking viewers who had no idea she was so NAUGHTY.

During a *RHOC* girls' holiday in Greece, co-star Lauren Simon asked: "Have you ever videoed yourself shagging?"

Christine replied: "I 100 per cent have!"

Keen to know more, Lauren added: "Can I ask you a quick question? When you videoed yourself and watched it, what did you think?"

But Christine said: "I didn't watch it back...it's for my husband!"

However, Lauren and their fellow *Cheshire* co-stars Dr Hanna Kinsella and Tanya Bardsley were not convinced.

And Tanya said: "Yes she did!" before Christine starts to giggle.

But the fit blonde isn't the only babe who likes to make homemade sex movies.

Sport girls Dani Maye and Krystal Webb both admit they love to see themselves in red-hot action...

NUT CHOKED NEIGHBOUR'S COCK – THEN GOUGED OUT HIS EYES

DEVIL'S WORK: Richard Ellison

A man gouged out his neighbour's eyes after an argument over a loud COCK – and then blamed it on the DEVIL.

Richard Wayne Ellison, 47, has been charged with murder after he admitted killing the rooster and its owner, 72-year-old Benny Foutch, saying: "Lucifer made me do it."

Ellison was irritated by the noise of the crowing cockerel so he stormed onto Foutch's property in Rock, West Virginia, leading to an argument between the two neighbours.

Ellison killed the rooster before turning on Foutch and gouging out his eyes.

Paramedics later found Foutch dead on his porch with "blood coming from his orbital sockets," according to a criminal complaint filed by Detective-Corporal M.S. Horn of the Mercer Co Sheriff's Office.

Ellison took the dead rooster back home and got his son to dispose of it before officers at the sheriff's office arrived and arrested him.

By BRAD CHADWICK news@sundaysport.co.uk

Horn said: "I asked Ellison what happened with him and Benny, and he made the hand motion of pressing his thumbs to his eyes.

"He went up there to kill the rooster because of a movie he'd watched and because it was crowing.

"Ellison later explained he pressed his thumbs into Benny's eyes, and stayed there until he was dead.

"He made a reference that Lucifer made him do it. He kept asking me to shoot him, that he deserved it. He then talked about getting somebody in prison to kill him."

Ellison is being held for assessment.

10 things you might not know about THE CHELSEA FLOWER SHOW

IT'S the biggest event in the gardening calendar and attracts green-fingered types from around the world.

But this year – on account of the Chinese Death Plague – the Chelsea Flower Show has moved online.

It's a million miles from the original show, where Victoria gents stood around admiring each other's hollyhocks.

Here are some bloomin' fascinating facts about it...

1 THE Royal Horticultural Society Chelsea Flower Show has been held each year since 1862 – apart from 1917 and 1918 due to WWI and 1940-46 because of WWII.

2 IT was originally called The Great Spring Show and was moved to its current home, the Royal Hospital Chelsea, in 1913.

3 THE first RHS Chelsea Flower Show was staged in a large tent with a total of 244 exhibitors. Today the event spans 23 acres with 500 exhibitors.

4 IN 1927 there was a campaign to get the RHS to ban foreign exhibits to reduce competition with British firms. The RHS refused saying: "Horticulture knows nothing of nationality."

5 IN 1932 the rain at the Show was so severe a summer house display fell to pieces. One very wet exhibitor named it 'The Chelsea Shower Flow'.

6 OF the firms that exhibited at the first Chelsea Show in 1913, three still exhibit: McBean's Orchids, Blackmore & Langdon and Kelways Plants.

7 IN 1953 the show marked the Queen's coronation. Most of the Royal Family attended – apart from the Queen.

8 IN 1979 the show became so crowded that the turnstiles had to be closed.

9 IN 2000 a new pavilion replaced the largest canvas marquee. The old marquee was cut up and used to make 7,000 bags, aprons and jackets.

10 GNOMES are a no-no. They were officially banned from the flower show until 2013 when a display of 150 gnomes was gathered to greet the Queen, but the ban is back in force.

X-rated scenes in new Netflix smash

By SIMON DEAN
news@sundaysport.co.uk

HOLLYWOOD loves nothing more than making movies and television shows about – Hollywood!

Now Netflix have got in on the act with a new series that's called, er… *Hollywood*.

The series follows a group of aspiring actors and filmmakers in post-World War II Tinseltown (1947–1948) as they try to make it in the film industry – no matter WHAT the cost.

Glimpse

Each character offers a unique glimpse behind the gilded curtain of Hollywood's Golden Age.

In fact, the Golden Age of Hollywood was nothing of the kind – as it was one of the dirtiest, filthiest episodes in all human history.

Studio bosses strode about like gods, using up and coming actors and actresses to fulfil whatever perversion crept across their whisky-soaked minds.

And this new series gives the tiniest taste of what it was like, with wall-to-wall kinky action, double-dealing, backbiting and FLYING SPUNK!

The series is also packed with lots of lovely starlet TEAT.

So, Hurrah for Hollywood!

Dying sex shop boss 'conned out of £400k'

A SEX shop payroll clerk is accused of defrauding her dying boss out of almost £400,000.

Neva Lozzi, 44 (*above*), allegedly deceived prominent adult store owner Con Ange, 60, out of £390,000 from 2015 to 2020.

The dad-of-one has been diagnosed with motor neurone disease and is often off work while being treated overseas.

Doctors have told him he has only six months to live.

Police allege Ms Lozzi took advantage of his absence by making 380 transactions from business bank accounts into other accounts.

She is accused of using thousands of dollars to buy plane tickets and holidays, to pay rent on her top floor apartment in Sydney, Australia, and to cover wedding costs.

The mother has been charged with 16 fraud offences and is set to appear in court in July.

Mr Ange fears he won't live long enough to see the court ruling and is worried about his wife and son after he is gone.

Parlours reopen for hand relief

THAI massage parlours are set to reopen – but only for HANDJOBS.

The South East Asian country's Public Health Ministry said it will ask the COVID-19 task force to allow its infamous parlours to reopen but only to treat "organs below the waist".

The move comes after operators urged authorities to reopen their venues as soon as possible due to economic worries.

An official spokesman said that massages to the upper body, such as the neck, shoulders and back, must wait since it could pose a higher risk of spreading COVID-19.

However, the idea will be left to the task force to decide.

Last week, the task force allowed venues such as shopping malls, gyms, beauty clinics and public swimming pools to reopen, with restrictions.

PERVY CRIMPER DRESSED AS GIRL TO SUCK OFF BLOKE IN PARK

CHARGED: Sean Lamont Brooks

A HAIRDRESSER has been nicked for giving another man ORAL SEX – while wearing a dress and pretending to be called Delores.

Registered pervert Sean Lamont Brooks, 47, lured the victim – a client at his salon – to a park claiming a female friend of his wanted to give him a sloppy blowjob.

But the female friend – who was apparently called "Delores" was actually Brooks in a wig and a frock.

And the victim only suspected something was wrong when he saw that the "woman" sucking him off had big hands.

The bizarre case was dealt with by Deputy William Forinash of the St Mary's Co Sheriff's Office in Maryland.

In his report, he wrote: "The victim said that Brooks offered to introduce him to some of his girlfriends and a few days later Brooks contacted him claiming one of his girlfriends wanted to give him oral sex.

"Once at the park, Brooks told the man to sit on a bench and said he would go and fetch his girlfriend.

"The victim said he watched Brooks walk off into the trees with a backpack, and a few minutes later what he believed to be a female emerged.

"He told police that because of how dark it was he was unable to see the other person's face.

"He said as the person touched him with their hand he felt as though their hands were 'pretty big' for a female and that he became suspicious 'she' may be Brooks dressed as a female.

Beard

"He told police that the person giving him oral sex appeared to have an outline of a beard, at which time he began to think this was not a female.

"He said he became scared and quickly faked an orgasm."

When police contacted Brooks, he admitted he took the victim to the park and dressed up as a female behind a tree.

Brooks has since been charged with sexual assault and committing a perverted practice.

BBC diversity tossers are a waste of air

WHAT do you think will be needed most to pull Britain out of the economic mire once this virus pandemonium is over?

Thrusting entrepreneurial spirit?

A traditional buccaneering sense of go-getting adventure?

Fewer restrictions on the parts of the economy that make money?

Nope.

What Britain needs – according to some – is more f**king DIVERSITY!

Last week the BBC hosted an event about "how to ensure that diversity and inclusion form part of recovery plans from the coronavirus pandemic".

Packed

F**k me! And I missed it!

United Nations Deputy Secretary-General Amina Mohammed took part in the event alongside BBC Director-General Tony Hall.

Good to know that the number two at the UN and the boss of the BBC can find time in their packed diaries to honk out PC hot air

The event was held to mark "International Diversity Day", which nestles snugly between the "International Day Against Homophobia, Transphobia and Biphobia" and the "International Day for Biological Diversity".

I am not making this shit up.

The nincompoops in charge of this diversity bullshit have a calendar – and actual calendar – so they can keep track of all their various International Day of the F**king Blah, Blah, Blah, etc.

Ahead of the event, Lord Hall said: "Through the current pandemic we have been focused on keeping the public informed, educated and entertained, but our actions now and in the future must not come at the cost of building an inclusive creative industry.

Gibberish

"I am determined that the BBC continues to lead the way on diversity and we are committed to working with experts and partners at the UN and LinkedIn to share insights and learn from one another."

I think that is what is called, to quote *Blazing Saddles*, "authentic frontier gibberish".

Look, I don't give two c**ting hoots whether the BBC wants to celebrate the International Day of the Transvestite Newt.

Just not on MY shilling!

We pay the BBC – are FORCED to pay the BBC – to, in the words of Hall himself, "inform, educate, entertain".

Holding a talking shop for a bunch of chin-stroking north London types to nod their heads and wank themselves into a frenzy whenever anyone says "diversity" is NOT part of the Beeb's job.

If the pubeless cretins at the BBC have so little to do that they fill their time with this shit, they should f**k off to a field and help the farmers pick some f**king cauliflowers.

PERV BONKS FOOTBALL STADIUM SEX DOLLS

SHAME-FACED: Kim Ki-Woo

Security patrol catches weirdo balls-deep

By BRAD CHADWICK in SEOUL
news@sundaysport.co.uk

WHEN South Korean foootball side FC Seoul accepted an offer from a company called Dalcom to "fill" empty stadium seats at their first match since the virus lockdown, it turned out to be an OWN GOAL.

Because Dalcom filled the seats with what looked like SEX DOLLS – 28 of them female and two of them male.

Fans watching online noticed that some of the mannequins wore clothing and banners advertising X-rated websites – even though porn is banned in South Korea.

It led to a grovelling apology from FC Seoul and dire headlines around the world.

But it was not the end of the story, because after last Sunday's match, as darkness fell, pervert Kim Ki-Woo sneaked into the ground.

SEX FAN-TASY: Sex dolls in the 'crowd' at FC Seoul match

And he took his chance to have sex with SEVEN of the dolls.

The single engineering worker was spotted by a security patrol as he got stuck into doll number eight.

A source said: "A cry went up 'Turn on the floodlights.

"As the lights came on, there was this fellow humping a sex doll. I have never seen anyone so shame-faced."

Cops were quickly on the scene and Kim, who had been detained by security men, received a traditional "Gyeongchal guta" – or police beating – before being hauled away.

He has been charged with violating private property, trespass and indecency.

BIGFOOT: Shadowy pic of the mythical beast

Did yeti kill Russian skiers?

THERE lies an icy peak in Russia's northern Siberia called Kholat Syakhl – meaning 'The Mountain of the Dead'.

When a group of nine skiers went missing there in February 1959, rescuers feared the worst.

The local Mansi people speak of an Abominable Snowman – known as the 'menk' – that haunts the area.

So when a search party stumbled upon a bloodcurdling scene of carnage, with broken bodies strewn across the wasteland, all signs pointed to this sinister Russian yeti.

Slaughtered

All nine skiers had been slaughtered.

The deceased had suffered harrowing internal injuries, as if they'd been repeatedly bludgeoned – their bones snapped like twigs.

One doctor said it was "as if someone had hugged them, oh so tightly".

The group's tents had been ripped from the inside out – the doors remained fastened shut – as if they'd been desperately trying to flee an assailant.

The victims, including 23-year-old team leader Igor Dyatlov, were found strewn in a line for a third of a mile down the slope.

Some were partially naked, despite temperatures dipping to minus 24, while others had frantically dug a snow cave, hiding themselves from danger.

But it was the injuries to Lyudmilla Dubinina's body that stopped researchers in their tracks, so gruesome they were in their nature.

The poor girl had also been viciously assaulted, but unlike the others her eyes and TONGUE were missing.

By CLARKSON McARTHUR
news@sundaysport.co.uk

'Their bones were snapped like twigs'

Had a yeti stalked the skiers as they'd hiked through a forest, and then set upon them during the dead of night, taking the girl's soft internal organs as a snack?

Those who DID suspect a murderous mythical creature had every right to do so.

This remote region has long been associated with yeti sightings – beasts also known here as 'almas' or 'almasti'.

In woods that throng with brown bear, lynx and wolverine, yetis are taken just as seriously as any other apex predators.

In 2011, the local government in Kemerovo announced plans to open a new scientific research institute to study the yeti.

And in May last year new evidence emerged from the 1959 incident that left researchers stunned…

A photo found in one of the victim's cameras showed a shadowy, muscular figure peering out from the forest's edge.

Did the skiers try to document the 'animal' tailing them?

Whatever happened in those snowy wastelands, the official Soviet investigator into the tragedy, Lev Ivanov, failed to offer any answers.

Meanwhile, the mountain was sealed off from visitors for the next four years.

However, that's not the end of the story and yeti sightings in Siberia continue to this day.

Dr Igor Burtsev, Russia's leading proponent of the Abominable Snowman, pores over the countless photos and videos appearing to show hulking beasts trudging through the tundra, often with yeti infants visible, too.

VICTIMS: Skiers were found in ice

REAL LIFE X-FILES

And Burtsev is convinced the animal is an "unknown mammal closely related to man".

He said: "When homo sapiens started populating the world, they viciously exterminated its closest relative in the hominid family, homo neanderthalensis.

"But some of the Neanderthals may have survived to this day in some mountainous wooded habitats that are more or less off limits to their arch foes.

"No clothing on them, no tools in hands, and no fire in the household. Only round-the-clock watchfulness for homo sapiens around."

The most recent encounter with Russia's version of bigfoot came in January this year.

A group of locals stumbled upon – and managed to photograph – an overgrown ape in the southwest region of the Caucasus Mountains.

Eyewitness Ludmila Hristoforova said: "The creature was big, looking like a bear, but not a bear.

"From the door we have seen something big and shaggy."

Homeowner Andrei Kazarian added: "I heard footsteps and we were pretty sure there was no-one else around because we knew for sure everyone else was inside the house.

Footprints

"Although we didn't see anyone we saw its huge footprints. They were five to six centimetres deep and couldn't come from a human foot."

Others, however, are sceptical about the yeti's existence.

New York-based author Benjamin Radford, 44, is an expert on the Dyatlov Pass Incident and he is convinced the group tragically died in an avalanche.

He explained: "They were poorly clothed because they had been sleeping, and ran to the safety of the nearby woods where trees would help slow oncoming snow.

"In the darkness of night they got separated into two or three groups – one group made a fire while the others tried to return to the tent to recover their clothing, since the danger had apparently passed.

"But it was too cold, and they all froze to death before they could locate their tent in the darkness.

"The group of four whose bodies were most severely damaged were caught in an avalanche and buried under 13ft of snow.

"Dubinina's tongue was likely removed by scavengers and ordinary predation."

OTHER YETI ENCOUNTERS AROUND THE WORLD...

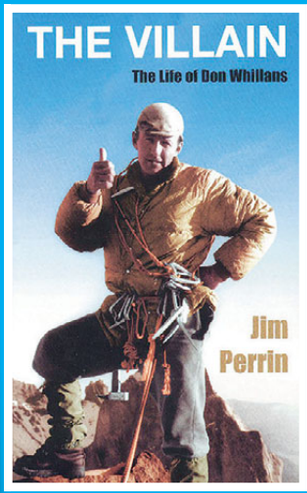
The Everest yeti

ARGUABLY the most famous photograph of a yeti's footprint was snapped by British explorer Eric Shipton during a 1951 expedition to Mount Everest in Nepal.

The foot measured between 12 and 13 inches long.

Shipton always claimed the photos were authentic, right up until his death in 1977.

Don Whillans



HARD-drinking climber Don Whillans, from Manchester, who passed away in 1985, was known for his brutal honesty and whose life story was told in Jim Perrin's book *The Villain*.

So when he reported having witnessed a hairy creature while scaling Annapurna in 1970, the climbing community listened.

He said: "It was on all fours and it was bounding along very quickly across the snow, heading for the shelter of the cliffs.

"That was the point at which I thought, 'That thing is an ape or ape-like creature'."

Reinhold Messner

ITALIAN wall-crawler Reinhold Messner, 70, used to laugh at yeti reports – until he saw one himself in 1986.

He said: "When I saw a yeti that night I was looking and thinking, 'What's that?'

"When I approached the place where the yeti stood before it ran away, I found a footprint, exactly like the ones they took photographs of in the 1950s.

"And I said to myself, 'Strange'. They were footprints like those of a two-leg-going animal."

He thinks the yeti is a type of Tibetan bear.

Emma's naked beach hopes dashed!

By WENDY THOMAS
news@sundaysport.co.uk

ANGELIC Emma Glover thought about skinny dipping when she went to the seaside last weekend – but then changed her mind when she saw the prom was packed!

Emma, 29, who's from Brentwood in Essex, said: "I went to Frinton on the first weekend after they said we could go out and sunbathe.

Packed

"I thought I might be able to find a nice quiet spot to have a little skinny dip but no chance – the place was packed."

The 30G beauty added: "I thought I'd go and get some whelks to cheer me up – but then I realised they're too posh in Frinton for whelk stalls.

"I'm going to Southend next time!"

My perfect Sunday...

Lorna Morgan, 28, 30JJ, from Cardiff

Spooning and doggy-style on menu!

By JAYNE FERGUSON
news@sundaysport.co.uk

MY perfect Sunday would definitely start with some slow and sensual shagging!

My favourite position for that is when we're spooning and he slips his hard cock into me from behind.

He goes really slowly at first, just gently sliding in and out of me.

But then he gets carried away and pulls me up until he's doing it doggy-style and frantically slamming into me.

I can feel his balls slapping against my bum as his huge cock stretches me out.

When he pulls out and is ready to spurt, he turns me around and unloads all over my face.

Then we do it all again three or four times until we're both knackered and head off to our local pub for a big roast dinner."

PUB TALK

BEFORE the lockdown closed their doors, the pub was a great place to meet old mates, relax and have a laugh over a couple of drinks.

In happier times, our reporters visited British boozers up and down the country to ask babes all about their sex lives.

Thankfully, we got a few interviews "stockpiled" before all the pubs got shut.

In today's feature, we speak to two Bristol babes...

CLAIRE ROBBINS
AGE: 22
OCCUPATION: Pub worker
FAVE DRINK: Pale ale
FAVE FOOD: Indian
FAVE FILM: *Avatar*
FAVE ACTOR: Tyler Posey
FAVE HOLIDAY: Mallorca

REBECCA WAYNE
AGE: 22
OCCUPATION: Insurance call centre helper
FAVE DRINK: Cider
FAVE FOOD: Italian
FAVE FILM: *The Hunger Games*
FAVE ACTOR: Liam Hemsworth
FAVE HOLIDAY: France

FAVOURITE POSITION

CLAIRE: I much prefer having sex slowly because it means that it always lasts a lot longer rather than being over and done with quickly.
REBECCA: What's your favourite position?
CLAIRE: Me on top because I can do what I want and make sure I get the most out of the sex.
REBECCA: I prefer missionary because it's nice and easy and leaves the bloke to do all the work. I find sex far more fulfilling when it's fast and furious as well.

ONE-NIGHT STANDS

CLAIRE: Do you think one-night stands are good?
REBECCA: No, I've had three and they were all crap. I tend to go for tall, good-looking guys but by the time I get them home they're too drunk to be a good shag.
CLAIRE: Has it put you off having another one?
REBECCA: I'd prefer not to have another but at my age it's simply inevitable that I will do since that's what being young is all about.
CLAIRE: You'll have a good one eventually. I've had four and three were rubbish but the last one blew my mind, he was so good in bed.
REBECCA: How come?
CLAIRE: He was fit and energetic and we had sex for hours, it was amazing. I wished he'd called me since but he never did.

WORST EVER SEX

REBECCA: What's been the worst shag of your life?
CLAIRE: That was when I finally slept with a guy I'd been eyeing up for weeks. He was very good looking and every girl in the club was trying to pull him. I got him and took him home for a shag.
REBECCA: Why was it bad?
CLAIRE: He confessed when we got into bed that he was a virgin and then lasted less than a minute. I thought I was going to cry I was so upset.
REBECCA: My worst one was a one-night stand too. I was steaming drunk and the guy looked good with my beer goggles on but when I sobered up halfway through I realised he was a minger who looked like Dean Gaffney.

LESBO LOVING

CLAIRE: I had a bit of a fumble with one of my girl friends the other month when we were drunk.
REBECCA: Were you tempted to go all the way with her?
CLAIRE: A little bit. She was good looking and it did turn me on quite a lot. I don't think I'd have the guts to go further than a fumble though.
REBECCA: I've been all the way with one of my friends. We got intimate in bed one night and I even went down on her.
CLAIRE: Did you enjoy it?
REBECCA: Yes, it was fun – although it felt a bit embarrassing the next day. I would probably do it again.

BUM FUN

CLAIRE: Bum sex does can be absolutely fantastic. With a lubed-up cock up there and a dildo up the front you feel so stretched and filled. I come ever so hard doing it.
REBECCA: Yes, me too, because it's really kinky and dirty, isn't it? I've only done it the once but I really want to get in one of those filthy-sex moods and do it again.
CLAIRE: Even with a random?
REBECCA: Especially with a random. It would be a lucky night for both of us!

WILLY SIZE

CLAIRE: I'm longing to find a big cock. My first ever boyfriend had the biggest one I've ever had and it's been a bit of a downward spiral since. My last only had a tiddler.

> **"The sex was fast and furious – he'd ripped the naughty nurse's uniform off of me in seconds!"**

REBECCA: How big was your first one?
CLAIRE: About eight inches, I'd guess, and he was a great shag. I didn't realise big willies were so rare or I would've kept hold of him. Big ones definitely feel better.
REBECCA: I had a fling with a guy who had a huge cock. The first time I had it I was really excited and because I was drunk it felt great. But the next time I was sober and I thought he was going to split me in two!
CLAIRE: Do you believe size matters?
REBECCA: No, I don't think it does. I've had six-inchers that have given me multiple orgasms. Having said that, I wouldn't want anything smaller than six.

SEX IN STRANGE PLACES

CLAIRE: Have you shagged in any strange places?
REBECCA: When I was 18 I had a one-night stand in a field with a guy I pulled while I was visiting family in the Lake District.
CLAIRE: What was it like?
REBECCA: It was fun. I pulled him in a bar and was feeling naughty so we went into the field next to the pub. It felt liberating doing it outside and is an experience I'd like to repeat.
CLAIRE: I had sex in bath tub with one of my exes. It was his idea and it was the most uncomfortable shag I've ever had because there was no room to move.

FAKING ORGASMS

REBECCA: Do you fake it?
CLAIRE: Yes, sometimes. When they've been shagging you for ages and are getting nowhere it's the right thing to do.
REBECCA: I don't think you should fake it. I always tell them when I don't have an orgasm. One-night stand guys usually don't care but boyfriends always try doubly hard the next time.

DRESSING UP

CLAIRE: I had great kinky sex with my last boyfriend when I dressed as a naughty St Trinian's for him.
REBECCA: Did it not feel a bit wrong?
CLAIRE: Not at all, it was fun. I'd planned it for ages and then surprised him one night by putting on my outfit. He loved it and I enjoyed feeling really dirty. I'm definitely going to dress up again, it gives you something to look forward to.
REBECCA: I thoroughly enjoyed it when I dressed as a naughty nurse. It was a sexy outfit and it turned me and my boyfriend on a hell of a lot.
CLAIRE: Did it improve your sex?
REBECCA: Bloody hell, yes! It was fast and furious and he'd ripped the uniform off in seconds. I had several orgasms,what more could I ask for?

FIRST-TIME SEX

CLAIRE: Can you remember what your first time was like?
REBECCA: Yes, it was OK, nothing special. I was 16 and did it with my boyfriend in my bedroom. It only lasted one minute and did nothing for me but it was still a relief to have lost my virginity.
CLAIRE: I was 17 when I lost my cherry. My boyfriend wasn't a virgin so he took the lead and I just did as he said which took the pressure off me a bit. He came in under two minutes and I was gutted that I didn't get to have an orgasm. It certainly didn't live up to the hype.

SEX TOYS

REBECCA: Are you fond of using sex toys?
CLAIRE: I've got a vibrating cock ring that I thoroughly enjoy using. It vibrates on all the right areas and tends to speed things up a bit. It'd take me double the amount of time to orgasm without it.
REBECCA: I've got one of those Rampant Rabbit vibrators that's really very good. It stimulates all the right spots that most blokes fail to reach with their penises or fingers or tongues. Really, they ought to give lads proper sex lessons in schools as they clearly don't pass on tips to each other. That said, I still prefer the real thing inside me but it's useful to have a back-up as it always makes me come!

JESS ONE F**K, THAT'S ALL IT TOOK...

GORGEOUS Jess West is a multi-award winning porn star.

And she's been a regular on top filth channel Television X for the past decade.

The brunette scorcher stopped by TVX HQ last week to have a chat about her life in the adult industry, and what she's got planned for 2020...

Hi Jess, thanks for stopping by! Can you start by telling us about how you got into the porn industry?

I started off modelling for lads' magazines like *Nuts* and *Zoo* and it all just went from there!

I got into porn over a decade ago and I've loved every filthy minute of it!

You've shot loads of scenes with TVX – what are you planning on doing in 2020?

I've got lots of new content planned for this year, but I can't give too much away.

But I can say you're going to get more of the same Jess West in some of my naughtiest scenes yet. I can't wait for you all to see them – it's so hot!

Out of all these amazing scenes you've shot, who are some of your favourite stars to perform with?

There's so many – I've met some amazing and very sexy boys and girls, so it's hard to choose!

Victoria Summers is a good friend and she's got the most incredible body – I love her tits!

Out of the guys, it has to be Demetri XXX. When I work with him, I get so horny. He's amazing!

What are the best parts of being a porn star?

Obviously the sex. It's my dream job being able to f**k the sexiest people every day – can you think of anything better?! And I love getting to travel all over the place and meet new people, but the f**king is the best.

You've starred on TVX for most of the last decade – what to you love about Television X?

What's not to love?! Television X has helped me a lot in the adult industry – I've been booked for so many scenes, like *Jess West Ate My Homework*, *Iron Lady Garden* and *Jess West: School Of Porn* and they've really helped me out.

Thanks TVX, I can't wait to work with you again soon!

IF you want to see Jess West in filthy, uncensored, explicit action subscribe to Television X by calling 0871 271 6869 or just visit *televisionx.com*

TODAY

TOMORROW

Inside the Factory, Keeping Britain Going: Toilet Roll Update – BBC2, 8pm

NEW series. Gregg Wallace celebrates some of the behind-the-scenes heroes who are working around the clock in the nation's factories to ensure that cupboards at home are kept stocked.

In the first edition, Gregg goes to the Essity paper mill in Manchester, which he visited back in 2018, and where they have upped production to make a million rolls of toilet paper every day, seven days a week.

The Cult of Sunday Night: All Creatures Great and Small – BBC4, 9pm

EXAMINING the popularity of this family drama series, which followed the adventures of rural Yorkshire vet James Herriot (played by Christopher Timothy), and whose mix of nostalgia, romance, eccentric characters and stunning scenery could be said to have set the template for several Sunday night dramas that would be aired in years to come.

However, the cast and crew reveal things were often much less cosy behind the scenes, thanks to accidents, cantankerous actors and the limited supply of source material.

Narrated by Meera Syal.

OF THE TELLY

By BARNEY SAMUELS

Jurassic Park – ITV, 5.45pm

CAN you believe this flick is almost 30 years old?

And it's still bloody brilliant!

Scientists are given a sneak preview of a safari park inhabited by genetically engineered dinosaurs created by an eccentric tycoon.

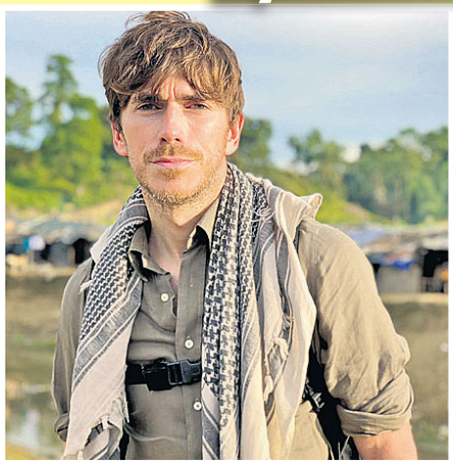
However, it all goes wrong when a greedy employee sabotages the security systems, allowing the prehistoric beasts to roam free and hunt the visitors.

Steven Spielberg's action adventure, starring Sam Neill, Laura Dern, Jeff Goldblum, Sir Richard Attenborough and Samuel L Jackson.

Tommy Cooper Forever – ITV, 10.35pm

FIRST in a two-part tribute to the comedy magician, revealing how an act that started out in the desert during World War II went on to take the entertainment world by storm.

Narrated by Martin Clunes and featuring contributions from famous fans including Jennifer Saunders, Simon Callow, Lionel Blair, Anita Harris, Les Dennis and Jerome Flynn.



Burma With Simon Reeve – BBC2, 7.15pm

PART one of a two-part documentary exploring the country in the aftermath of the recent humanitarian crisis, in which thousands of Rohingya Muslims were driven from their homes by the military.

Simon visits Burma's Buddhist heartlands, including the ancient capital of Bagan, and meets the city's controversial nationalist monks.

While the region affected by the military crackdown is off limits, he is able to visit the world's biggest refugee camp in Bangladesh, and meet people traumatised by the violence.

Nicest travel presenter since Michael Palin, this lad.

TUESDAY

A House Through Time – BBC2, 9pm

NEW series. David Olusoga traces the history of an 18th-century sea captain's house near Bristol's docks with links to the slave trade.

Bristol was a major port involoved in the transportation of slaves from Africa's Guinea Coast to the Caribbean, and both the man who built the house and its first full-time resident were heavily involved in the trade.

David uncovers stories of piracy, abandoned babies, a household slave who made a daring escape from the property, and a protest on the doorstep as the abolitionist movement gained momentum.

Ben Fogle: New Lives in the Wild Revisited – C5, 9pm

NEW series. Ben Fogle reunites with people he previously met in some of the most remote locations on Earth, discovering how life has changed for his hosts.

In previous shows, Ben visited people who have upped sticks and moved to places as far afield as Iceland, Siberia and New Zealand.

In this new series, he investigates whether their new lives are all they're cracked up to be and what challenges the emigrants have faced.

DON'T MISS THIS!!!

COCKS HELPING SYLVIA'S STRESS!

SUNDAY Sport SUNDAY STUNNA

GORGEOUS Sylvia Barrie has got herself a new hobby during the virus lockdown – embroidery.

The 32DD beauty from Enfield, north London, took up the pastime after getting stressed out by the quarantine when a pal said it would help calm her down.

Sylvia, 29, said: "It's the very last thing I would ever see myself doing but I was really stressed and anxious.

"Someone recommended it so I bought the kit on Amazon and it has really worked. When I start, my mind calms right down and I feel great.

"But I'm not turning into an old lady yet – I've been making pictures of cocks and boobs!

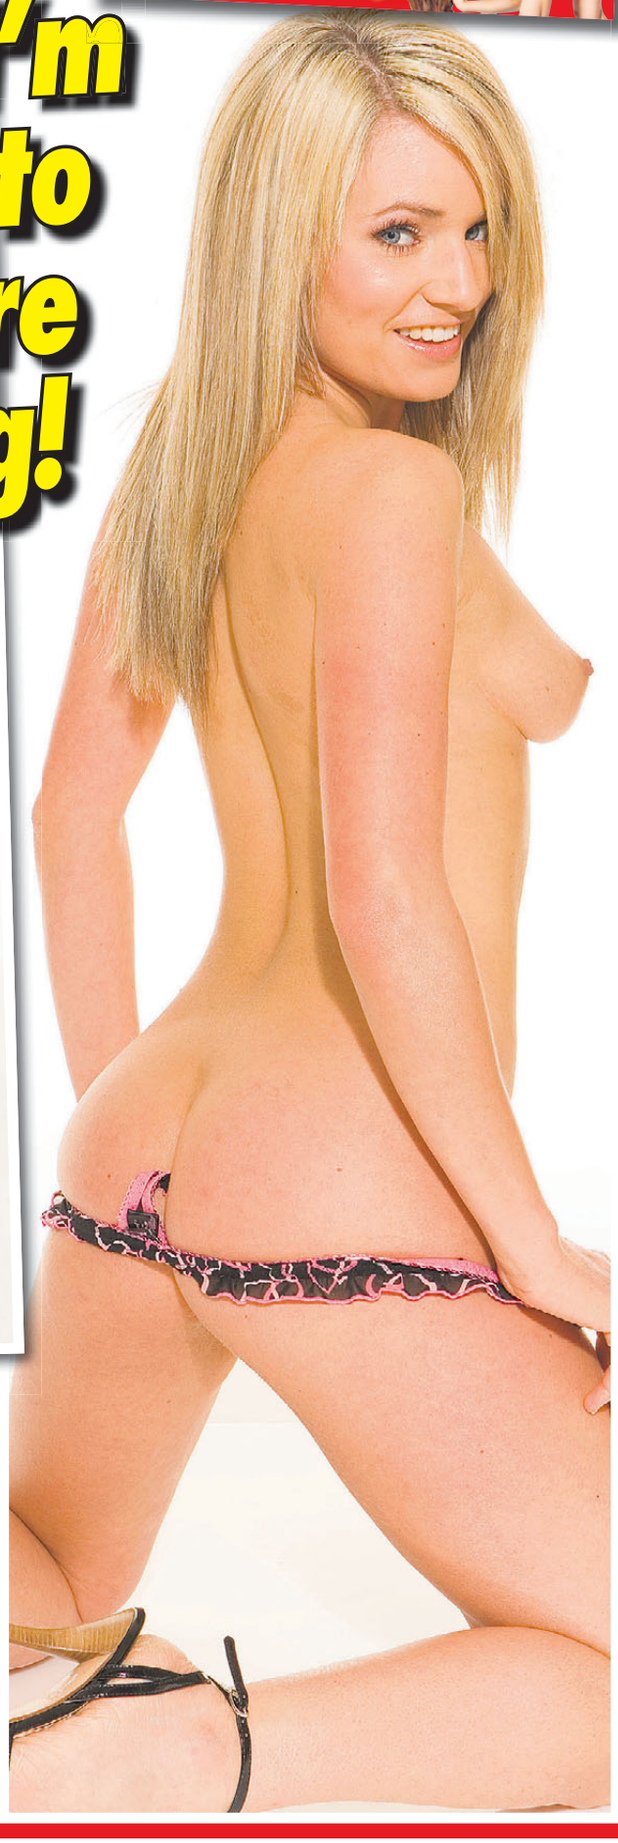
Emma: I'm aching to do more baking!



By WENDY THOMAS
news@sundaysport.co.uk

CUTE Emma Jones is feeling frustrated by the lockdown – but not because of what you may think...

The 23-year-old, who's a keen baker, is gutted that she still can't get hold of enough flour to satisfy her habit.

The 32B blonde said: "I love baking. I make the absolute best scones you have ever tasted – and my Victoria sponge would win prizes if I joined the Women's Institute.

"But I can't get hold of flour for love nor money. I've had two bags during the whole lockdown and that's it.

"I'd have thought they would have sorted it out by now, but nope.

"I can't even make fairy cakes!"

KAMI: I DREAM OF SEX WITH STRANGERS

By WENDY THOMAS news@sundaysport.co.uk

STUNNING Kami Arias has just one fantasy she hasn't fulfilled – getting banged by dozens of men while blindfolded.

The 28-year-old has done threesomes, S&M, bukkake, foursomes, bum fun, femdom, dressing up and tons of other kinky fun.

But she hasn't had the courage to fulfil her ultimate fantasy of sex with strangers she can't even see.

The 32C beauty, from Brighton, said: "I love the idea of being blindfolded then bent over and pounded by literally dozens of men.

"The idea that I am just there to be used and they go at me over and over, filling me up with their spunk while I have orgasm after orgasm, until I am totally fulfilled."

THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

MY bird's sister is teasing me by turning me on.

I've fancied her for years and the only reason I got with my girlfriend in the first place was to get closer to her fit sis.

My girl is pretty enough but her sibling is always telling me how hard she's been f**ked over the weekend and how she got it doggy-style and she screamed when she orgasmed.

I'm sure she knows what she's doing to me and my bird thinks it's all hilarious. But what she doesn't see are the looks her sis gives me when she's relaying these stories.

She'll lick her lips seductively and put her finger in her mouth, like she's sucking off a hard cock!

Should I make a move on her?

GS, Reading

Ashleigh says...
SOUNDS like this girl is just a little prick-teaser. Don't go there – it will all end in tears for you.

Dear Ashleigh,

THIS is probably a different sort of letter than the usual ones you normally receive, but I felt I had to write in and ask your advice.

I was just wondering about the legalities of claiming benefits while earning money being a sex worker.

When I'm out and about, I get approached all the time off guys – even my taxi driver last weekend offered me £50 to give him a quick nosh.

I'm worried if I started to make regular money from sex with blokes, do you think my entitlement may be affected in any sort of way?

KD, email

Ashleigh says...
GET out there and get a job, instead of sponging off the State. You clearly have talents!

WIFE LOVES HOUSEWORK HERE'S WHY...

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters and emails. Here's her advice...

Pretty fraulein loves a bit of English sausage!

Dear Ashleigh,

I VISITED Germany for a short trip a few months ago and before I went I was a little wary of the women there.

I'd heard they could be quite miserable.

But how wrong can one Englishman be?!

Pigtails

Within just an hour of touchdown I was being frisked by a pretty German lady with blonde pigtails.

And she made extra sure I had nothing to declare in my tight trousers.

Her fingers slipped inside my undies and pulled my foreskin up and down – in her quest to find some kind of hidden gem.

And within a minute she'd uncovered a moist mess, I can tell you!

She smiled and told me to go on my way, sliding her mobile number into my pocket as I left the little interview room.

Then I spent the whole week at her apartment – shagging the arse off it!

I have to say, though, I saw absolutely f**k-all of Germany.

So I'll have to go back to make sure I get a proper look around soon.

Are all Kraut birds like this?

SA, email

Ashleigh says...

I THINK you got a good one there. Lucky bugger!

Dear Ashleigh,

I'M a lesbian and I have just finished with my girlfriend because she won't have a threesome with me.

I'm not normally pushy but I feel she's gone too far this time.

I have done everything she has ever wanted – even having straight sex while she watched – just to please her, but she won't do this one little thing for me.

I just love it when I get to lap at a couple of pussies at the same time but she thinks I'm cheating on her by doing this.

She says straight sex is different because it's with a man, but I have to disagree.

All I really want to do is help us explore our sexuality and mix things up a little.

If I did it for her she should do something for me.

Am I being unreasonable?

JG, Leeds

Ashleigh says...

IF you've done your bit then she should do hers. But don't worry, there are plenty more fish in the sea. Which is great if you fancy a bit of tuna.

Ashleigh says...

THAT'S the spirit!

Gia: I've worked for Dick's and with dicks!

FLIPPING 'eck!...

Gianna Michaels took her first job working at a hamburger joint in Seattle called Dick's, appropriately enough.

In 2001, she moved to California and started as a receptionist.

Over time, some people approached the busty beauty about modelling and eventually this led to porn.

By JAYNE FERGUSON
news@sundaysport.co.uk

And since then she's made almost 90 XXX movies.

The 38F babe performs with both guys and girls – engaging in one-on-one, interracial and group sex – and shows what critics call "a voracious sexual appetite on-screen".

But she's only done ONE anal scene... in 2009.

She said: "I love anal and do it all the time, but I think that porn is too anal-heavy these days.

"Besides, I love a hard cock in my pussy or spraying come on my tits."

Fair enough…

KOU MUST BE JOKING!

POTENTIAL buyers have been priced out of the market for Kalidou Koulibaly.

Napoli are asking a massive £90m for the big defender who is widely expected to leave the club this summer.

Manchester United were in the driving seat for the 28-year-old and Liverpool were also surprise suitors.

But that hefty price tag should scupper any transfer to the Premier League. It looks as though only Paris St Germain would have the cash to make the move happen now.

But Koulibaly himself has indicated that he doesn't want to play in France. It could mean that Napoli will have to cut their price to nearer the £60m mark to offload a player who turns 29 this summer.

BLUES PJANIC BUY

TUG OF WAR: Miralem Pjanic

CHELSEA are in a battle with Barcelona to sign Juventus star Miralem Pjanic.

The midfielder was expected to sign for the Londoners — until the Catalan giants made it clear that they are interested.

The 30-year-old has been a powerhouse for Juventus and he was being lined up in a swap deal with Jorginho who wants a return to Italy.

But Pjanic has had his head turned by Barcelona and Chelsea will have to up their wages offer to sign the Bosnian.

Paris St Germain have also been sniffing around but Chelsea are higher in the pecking order than the French champions.

Reports in Spain suggest Pjanic could be persuaded to make Stamford Bridge his home.
